Re: Solo and Ensemble

Solo and Ensemble is a chance for students to perform in front of a judge, yet competing against only themselves. If the students do well they have the chance to win a medal. The music can be anything that the student wants to do. There is a lot of music for solos in many music stores and I have a few things as well. This event will take place at Arlington High School on February 18. Please return the completed form below by January 13, 2012.
